

THE
grocery

The Grocery offers a changing menu based on seasonally available ingredients with Mediterranean and Southern influences. The Grocery boasts craft beer on tap, a canning and charcuterie program and a wood burning oven to create an emphasis on local fare and a familial atmosphere.

The restaurant, which can accommodate up to 120 people, provides an urban dining environment that is warm and welcoming while retaining elements of the structure's warehouse charm. Seating up to 32 people, our private dining room offers an intimate atmosphere with abundant natural light and locally commissioned artwork. The space is well suited for hosting business dinners, holiday parties, wedding showers or many other events. Private dining is available Tuesday through Sunday evenings and Sunday brunch, with all details tailored to your special occasion.
